

EIR ØKONOMI:

Draghis fald: Begyndelsen til enden for euroen

Chefen for ECB Mario Draghis meddelelse var endnu et forsøg på vegne af Wall Street og de transatlantiske storbanker på at mørklægge deres bankerot; og endnu engang skete det på bekostning af befolkningerne i de synkende, europæiske økonomier.

Copenhagen diplomatic seminar with Helga Zepp LaRouche: The New Silk Road Becomes the World Land Bridge

We discovered that Mr. Van Niekerk's speech was cut off before its completion in the first video. The full version is in the second video.

See below for the texts of the speeches by a diplomat from the Embassy of China, and Mr. Van Niekerk from the Embassy of South Africa, and the slides Mrs. LaRouche used in her presentation.
